

QUALITY POLICY

Reference	: Annexure 1.
Revision	: 00.
Date	: 14/04/2020.
Issued By	: GM.
Page	: Page 1 of 1.

New Gulf Desert Projects LLC "NGDP" involved in Mechanical, Civil and E&I Construction projects and Maintenance works are committed to provide quality projects and services, delivered within time and costs & meeting the client's budget requirements.

NGDP is committed to continually improve our projects and services with active involvement and development of all employees by adhering to the principles and requirements of ISO 9001:2015 standard.

To achieve this, we shall

- ✓ Continually monitor and improve our QMS through systematic identification of root causes behind the non-conformities and subsequent elimination by adopting Risk based Thinking approach in all our processes.
- ✓ Meet the applicable statutory, legal & other requirements, dedicated to performing our work in the safest practical manner throughout our project, fabrication and construction process, consistent with good industrial practice that satisfies all our customer expectations;
- ✓ Strive to provide timely delivery of our projects and services to satisfy our customer's needs and expectations by active involvement of our employees.
- ✓ Establish, Implement and continually measure the achievement of our quality objectives for continual growth.
- ✓ Apply a Plan, Do, Check, Act methodology to our business and its processes.
- ✓ Implement and conduct audits necessary for achieving conformity of product and services.

This policy shall be communicated and made accessible to everyone in our immediate organization and will be made available to our customers, suppliers, business associates and to other interested parties on request.

The General Manager is responsible for ensuring that this quality policy is reviewed during the Management Review Meeting every 12 months.

Vasudevan Pittan,
General Manager

Date: 14.04.2020.
